BFC Soccer Club

The **BFC Competitive Player Soccer camp** is designed for non-recreational players looking for a competitive soccer training experience. Top level coaches will **motivate** each player to perform at their potential with skills appropriate training activities and game play. **Sharpen** your technical and tactical game skills and align your focus to start your Fall Select soccer season at the top of your game.

Due to the need to manage player to coach ratios and the importance of each coach's attention to the players, the available camp spots will be limited and players will be taken on a first come, first served basis.
