

SISL policy on Referee payment for league games.

1. All referees will be paid by check from the league. Clubs will be billed for the referee fees in the fall and spring according to the number of games for each of their teams.
2. Checks will be cut for referees on the 1st and 16th of the month during the soccer season.
3. Clubs will home fields will have a drop box or mailbox for the referees to put the game cards after the games. It will be the responsibility of the assignors for each field to collect and mail the game cards to the league.
4. Referees are required to sign the game cards in a manner that the signature is legible. League Administrator will check positions and signatures so that referees are paid accordingly.
5. Referees will need to furnish the league with their current addresses so that checks can be mailed. If league does not have current address or no address, checks will be held until address is given to league administrator.
